Applying for: Cadence Secretary and Overall Coordinator **(2026-2027)**

Vision:

- To Secure **Overall Gold in Inter IIT.**
- To build a community where individuals can **grow, learn** and **truly connect**, while offering a **space that inspires** and **nurtures passion for the art form.**
- Position Cadence as a **polished** and **professional dance club**, recognized not just for its performances but for its **skill, creativity, collaborative spirit, consistency** and **enthusiasm.**

Agendas:

- **Inter IIT specific measures:**
 - a) Conducting **choreographer sessions throughout the year** through **pre-planned workshops** to ensure that we have **well practiced choreos in advance.** Learn **style specific choreographies** from choreographers having their **expertise** in that particular style.
 - b) **Plan** and **set clear targets for practice sessions** with the help of the **core team** and **coordination with the choreographer** to make **efficient use of time.**
 - c) Complete the process of **song selection and draft structuring** beforehand to ensure **effective preparation** and **smooth conduction of choreographer sessions.**
 - d) Finalize duet pairs **as early as possible** so that the **majority of their choreography** can be completed **before the month of December.** The Inter IIT Battle team will start practicing right after the team finalization for **effective** and **thorough preparation**, this also **reduces the pressure** on battle members **in the month of December.**
 - e) More **structured planning** around **prop usage** and **X-factor elements** will be incorporated to enhance the **overall completeness**

- **Street Culture of Club:**

- a) Select cadence battle team **before the end of even semester (different from Inter IIT Battle team)** teach them **basics of streets style** and **create set pieces** with them through **regular sessions**.
- b) **Street team members** will take part in **on campus battle events** (pre-showcase plus practice battles), with the primary objective of **testing set pieces** and **evaluating** the battle team's **progress**.
- c) **Freestyle concepts** will also be taught and individuals will be encouraged to **develop** and **refine their skills in specific styles**. This ensures that we have a **diverse set of freestylers** in the club.
- d) The **Inter IIT Battle team** will be **selected out of the battle team** and will include the **freshers** (1st yearites + M.Tech/Phd.) **who seem fit** for the team.

- **Club Functioning:**

- a) Participating in **external competitions**(mostly in the north east region).
- b) To keep the club **active throughout the year**, we will introduce **group video projects**. This will provide a **unique experience** for members and will also **improve** our **social media profile**.
- c) **On campus events**. Emphasis will be on **trying different ideas**, encouraging **involvement of juniors** in **choreographing** and **performing Inter group dance choreos** .
- d) In the even semester we will organise **intra-club choreo showcase** (Choreo Cup), grouping a few people together to encourage **creative thinking** and **collaboration through dance**. Mostly just **before Alcher**(tentative). **Top 2 choreos** will be performed in **Groove**.

- **Other:**

- a) **Club financing** can be improved via **sponsorships** for **events** and **videos**. The core team will **utilize summer break** to **list out potential sponsors and talk to them**.
- b) Have a dedicated **Media team** and a **Branding team** with their respective heads and provide them with **complete creative freedom**. For proper **branding** and **social media presence**.
